## SHERIFF'S SALE.

The Mt Pleasant Branch of the State Bank of Ohio, at Mount Pleasant,

perform certain stipulations towards each other, into which they entered in ratifying the constitution, and thereby plodged themselves to perform faithfully. Of these stipulations some are favorable to the slave States and others to the non-slaveholding States or more briefly, some to the Southern and the other to the Northern.

Of the former the most striking is that which stipulates the delivery up by the latter of fugitive slaves, and which clearly involves the principle that non-slaveholding States or to abstract them from their masters, or to weaken or čestroy our right in them. The legislation of those States for the last twelve years has, either directly or indirectly, by oct to exhaust them from their masters, or to weaken or čestroy our right in them. The legislation in our favor; and the recent act of Pennsylvania has put it aside openly, without pretext or attempt at justification, the recent act of Pennsylvania has put it aside openly, without pretext or attempt at justification, the recent act of Pennsylvania has put it aside openly, without pretext or attempt at justification, the recent act of Pennsylvania has put it aside openly, without pretext or attempt at justification, the recent act of Pennsylvania has put it aside openly, without pretext or attempt at justification in cur favor; and the recent act of Pennsylvania has put it aside openly, without pretext or attempt at justification, the recent act of Pennsylvania has put it aside openly, without pretext or attempt at justification in cur favor; and the recent act of Pennsylvania has put it aside openly, without pretext or attempt at justification, the recent act of Pennsylvania has put it aside openly, without pretext or attempt at justification in the contract of the situation in our favor; and the recent act of Pennsylvania has put it aside openly, without pretext or attempt at justification in the contract of the situation in our favor; and the recent act of Pennsylvania has put it aside openly, without pretext or attempt at justificati

## **HELMBOLD'S**

GENUINE PREPARATIONS. Meimbold's Highly Concentrated

Compound Extract Fluid Buchu. For Diseases of the Bladder and Kidneys, Obheea, Strictures, Gleets, Weaknesses,

Whether in Male or Female, Whether in Male or Female.

Irom whatever cause they may have originated and no matter of how long stanting.

If you have contracted the terrible disease which, when once seated in the system, will surely no down from one generation to another, undermining the concentration and sampling the very what hinds of life, do you trust yourser in the hands of tracks, who start up every day in a cry like they and fulling papers with glaring falsehouds not well calculated to decrive the young and those not nequalitied with their tricks.—

You cannot be too carral in the selection of a remedy in these cases.

Constitutional Debility,

Compound Fluid Extract SARSAPARILLA.

to keep continually on hand sud make to order all kinds of ROOTS & SHORS, of the best material. He has the first quality of French and Philadelphia Call'skins. He employs hole buttle best of workinen, whose work is warranded to weak well. He is not in the habit of hoesting, but he does not best into say that his work will compare favorably with any other establishment.

He solicits a stace of patronaze, and hopes to give emire satisfaction to all who may favor him with their c store.

St. Claireville, April 5 1855.

Prices, Fluid Extract of Bucker, 91 per bostle, or 6 outles for \$5.

Tirces, Fluid Extract of Sarsaparille, \$1 per butle, or butles for \$5. equal in strength to one gallon Syrup of Sarsaparille. Prepared and sold by H. T. HELMBOLD, Chemist, 963 Chestnut St., near the Girard House, Philadelphia.

and of druggists & dealers everywhere.

OF All Letters directed to the Proprietor or

April 12, 1835

"Sickles gleaming in the sun, Tell jocund harvest is begun." It was a beautiful idea, but plainly expressed, which asserted that Earth was a good natured Dame-tickle her ribs with a plough, and she smiles with a harvest. What a broad, igenial smile longer nodding in the breeze, is gathered in sheaves means the most dangerous or degrading, \* \* \* \* \* \* \* and the wheat fields are dotted over with shocks.— though more striking and palpable.

I have written fully, hurriedly, and in the

away-it is of too great importance to be thus neglected. Let the Belmont County Institute be kept them in peace and quiet, and that the toleraup, and the State Institute will not be without am- tion in the non-slaveholding States of the be universally known, that sawdust, into the strawberry communication of our friend Etv., slaves, and of seducing and abducting them laid by, will also soon take fire.

67 The travelling public will be gratified to learn cannot acquiesce in such wrongs without the
